## Dear Parents

Well some summer it has been so far! Welcome to Summer term and a warm welcome to our new members of the pack. We trust all the cubs enjoyed the spring term and look forward to a busy series of events which will hopefully involve a lot more outside activity if the weather improves!

## Term Subscriptions

Subs are now due for Summer Term which covers **14th June - 26th June (7 Weeks) Cost is £2 paid weekly or £14 in a lump sum** if you prefer.

## Figure of Eight 7th-8th July

Thanks to all those that returned their approval forms, I now need to ask you for food choices for the camp so please could you indicate your choices as follows for the Saturday Night meals. If your child has any particular dietary requirements then please speak to me personally at cubs or on the contact numbers above. Could I also ask for payment for the camp to as all monies need to be paid by 2nd July for the pack - Cost is £15.00 as stated previously which covers the camp, all food, drink and a special badge for their uniform.

I will be providing a full list of kit needed next week, some essential others not, again if any of you have concerns over the requirements, do not hesitate to ask. I have arranged a discount and package deal with Newquay Camping Shop for anyone who needs to purchase sleeping bags etc. Details will be included in the kit list next week.

## Coming Equipped!

As the weather is so unpredictable at the moment we want to make use of any available sunshine (or relatively dry weather for that matter) that is going so could I please ask that cubs come with coats each week and shoes suitable for outdoor.

Any queries on the above I look forward to hearing from you,

Best,

**Akela**
